In this screen you can add your required options and accessories. When you select them they are added to the configuration automatically, and the lease price is adjusted accordingly. Colour and upholstery are compulsory selections.

The Fleetplatform features virtually all available options. If a certain option is missing, you can add this manually via **'Other accessories and options'**. You also fill in the amount inclusive of VAT if this concerns an option or accessory. You can add this to the configuration using the plus sign.

Other accessories and options

€

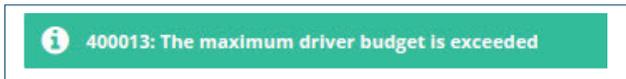

You can also add a number of predefined options and accessories.

If the configuration does not yet meet all the conditions, the options that must be added or removed are shown at the top of the screen. You can add or remove them by clicking on the relevant line.

The chosen option configuration is invalid
You can solve this by:

- Toevoegen 'Metallic lak' (€ 718,00)
- Kies tenminste één optie
 - Toevoegen 'Stof "Rhombus" Titaanzwart'
 - Toevoegen 'Stof "Rhombus" Stormgrey - Titaanzwart'
 - Toevoegen 'Stof "ArtVelours" Titaanzwart'
 - Toevoegen 'Stof "ArtVelours" Titaanzwart (Advance pakket)'

If the lease price does not fall within your lease category and is exceeded, you will see the message below

When the configuration meets the conditions you can proceed to the last step: **4. Finance/Services.**

This last screen shows a summary of the configuration you have made. You can then save this configuration.

If a personal contribution applies and/or you have insight into the standard amount, you will see this in the last screen

My Quotes

You can view your saved quotes under My Quotes.

The screenshot shows the 'My Quotes' interface. At the top, there are navigation links: MY QUOTES, NEW QUOTE, MY NEXT CAR, MY CAR, and DOCUMENTS. Below this is a breadcrumb trail: > Quotes. There are two tabs: 'PENDING QUOTES' (active) and 'EXPIRED QUOTES'. A search bar is present with a 'Quote number' input field, a 'Pending quotes' dropdown, and filters for 'All products', 'All makes', and 'All models'. A 'Driver' input field is also visible. Below the search bar are 'SEARCH' and 'NEW QUOTE' buttons. A 'Sort by' dropdown is set to 'Quote number' with a 'DES' button. An 'Export' button is located above the table. The table has a header row with columns: Quote number, Vehicle information, Lease price, Duration, Yearly mileage, Product, Calculated date, Expires on, Status, and Driver. The first row of data shows a quote with number 010605/001, for a Volkswagen Tiguan 1.5 TSI 96KW Comfortline Business, with a lease price of € 663,99, a duration of 48 months, and a yearly mileage of 30,000 km. The product is 'Operational Lease (B2B)', the calculated date is 10/01/2020, and it expires on 24/01/2020. The status is 'Quote saved' and the driver is 'Test driver'. A menu icon is visible on the right side of the table row.
